Eldorado

The Falcons

he's a man-sized Eldorado, hooved a doo and who could blame him where we going? what's the ticket? just the mention of
berlin makes me sexy and tired of thinking about drinking for thinking of drinking while thinking about drinking and thinking
about drinking it's a man-sized inside

look in here it's all hardwood what's that smell? smells like coffee if you regret it please say something, i've got no genius for
evil that makes me common and tired of loving, recovering, loving, recoveringlovingrecovering recovering. it's a man-sized
inside

he's a man sized - eldorado, whoopty-do if you can't take it where he's going? what's that ticking? just the mention of berlin
makes me sexy and tired of thinkingaboutdrinkingforthinking
ofdrinkingwhilethinkingaboutdrinkingandthinkingaboutdrinking
tired of lovingrecoveringlovingrecoveringlovingrecoveringloving recovering it's a man-sized inside it's a man-sized inside
