

Come In Alone (My Bloody Valentine)

JEFF the Brotherhood

Come in alone
You'll love
To let go
And I'll turn
You around
When your hopes
Gave me doubts
(Ohh)
Run and hide
Why
I don't need
To believe
What you see
To look up
And around
You were gone
Words came out
To a sound
Feel
I'm alive
You will see
Why and why
Felt like crying
Over her
I will go
To the wall
(Ohh)
Run from some
Come in alone
You'll love
To let go
And I'll turn
You around
When your hope
Gave me doubts
(Ohh)
Run and hide
