

Song For The Divine Mother Of The Universe

[Ben Lee](#)

Sweet Mother I'm coming home (x2)
now I know I'm not alone (x2)
cause' I've been far, (x2)
But now I'm close (x2) EVERY VERSE IS REPEATED.

Sweet mother I'm comin' home
tell Me mother can you hear me sing?
your love is everything
heart and soul,
breath and skin
your love is everything
oh, mother please hold me tight
cause' mother I need some help tonight
and what went wrong,
will soon be right,
oh, mother please hold me tight

tell me mother can you hear me sing?
your love is everything
heart and soul,
breath and skin,
your love is everything,
oh, mother this world is strange,
love me mother and make me brave,
in my dreams,
or on this stage,
oh, mother this world is strange
tell me mother can you hear me sing?
your love is everything,
heart and soul,
breath and skin
your love is everything
