

# Invisible

Hunter Hayes

Crowded hallways are the loneliest places  
For outcasts and rebels  
Or anyone who just dares to be different  
And you've been trying for so long  
To find out where your place is  
But in their narrow minds  
There's no room for anyone who dares to do something different  
Oh, but listen for a minute Trust the one  
Who's been where you are wishing all it was  
Was sticks and stones  
Those words cut deep but they don't mean you're all alone  
And you're not invisible  
Hear me out,  
There's so much more to life than what you're feeling now  
Someday you'll look back on all these days  
And all this pain is gonna be invisible  
Oh, invisible So your confidence is quiet  
To them quiet looks like weakness  
But you don't have to fight it  
'Cause you're strong enough to win without a war  
Every heart has a rhythm  
Let yours beat out so loudly  
That everyone can hear it  
Yeah, I promise you don't need to hide it anymore  
Oh, and never be afraid of doing something different  
Dare to be something more Trust the one  
Who's been where you are wishing all it was  
Was sticks and stones  
Yeah, the words cut deep but they don't mean you're all alone  
And you're not invisible  
Hear me out,  
There's so much more of this life than what you're feeling now  
And someday you'll look back on all these days  
And all this pain is gonna be invisible These labels that they give you  
just 'cause they don't understand  
If you look past this moment  
You'll see you've got a friend  
Waving a flag for who you are  
And all you're gonna do

Yeah, so here's to you  
And here's to anyone who's ever felt invisible Yeah, and you're not invisible  
Hear me out,  
There's so much more to life than what you're feeling now  
And someday you'll look back on all these days  
And all this pain is gonna be invisible  
It'll be invisible
