## Taproot

Ascending from the depths, again  
among the living steps, again  
emerge into the day, again  
back to where you're safe, again

sensing close now

3 rocks to the 1

underneath the clouds

2 blocks before the sun

it's a place

lost but not forgotten

it's a place

where you once belonged

its's place

where you're loved

arrival time now

one grand sight to see

an innocent symbol

behind the row of trees

it's a place

lost but not forgotten

it's a place

where you once belonged

its's place

where you're loved

Memories of the good ol' Sundays way back when

Memories carving initials in the sand

Memories the countless time that you have spent

Memories a cherished gift given by a friend

Out of your pocket now

a necklace made of gold

see the picture in your hand

the story now unfolds

the son is now behind you

his likeness leaves no doubt

place a hand upon your shoulder

with a whisper ringing out

"You don't belong here"
