

# Helpless

## Buckcherry

Sing me a song  
'Cause I don't want to hear my life go by  
Sing me a song  
And let the melody dance through our hearts tonight  
And if you face it you'll find that  
The love we can make is so strong  
Forget what they're saying  
Stay true to yourself and move on  
I see the city at night  
I see the street life, the restaurants, the passerby's  
Somebody's home  
To the shower they go, clean the stress away  
Is anyone out there  
To the heart-break station? I'm gone  
Forget what they're saying  
Stay true to yourself and move on  
I don't wanna live my life today  
I'm all outta love and I'm tired of changing  
I hope you can help pass the time away

Is anyone out there to the heart-break station? I'm gone  
I fell outta love this time again  
Can't stand one more fight, I'm too tired and crazy  
I know someday I will be strong again  
Forget what they're saying, it's to the heart-break station, I'm gone  
Heart-break station, I'm gone  
Heart-break station, I'm gone  
Heart-break station, I'm gone  
I don't wanna live my life today  
I'm all outta love and I'm tired of changing  
I hope you can help pass the time away  
Is anyone out there to the heart-break station? I'm gone  
I fell outta love this time again  
Can't stand one more fight, I'm too tired and crazy  
I know someday I will be strong again  
Forget what they're saying, stay true to yourself  
They'll laugh and they'll praise you and find all the guilt  
Is anyone out there to the heart-break station? I'm gone
