

# Scared

## The Tragically Hip

I could make you scared if you want me to I'm not prepared, but if I have to he said, I can make you scared, it's  
kinda what I do

If you're prepared, here's what I can put you through you're in Russia and more than a million works of art are  
wicked out to the

Woods so when Nazis find the whole place dark they'd think god's left the museum for good

I make you scared, if that's what I do if you're prepared, if I have to if I make you scared and you pay me to if  
that's the deal

Now here's what I can do for you

Now there's a focus group that can prove this is all nothing but cold calculation

Tests have shown that suspicious or hostile their lives need not be shortened truth be told they can live a long,  
long while tickled

To death by their importance

If you make me scared, if that's what you do if I'm unclear can I get out of this thing with me and you if you  
feel scared, a bit

Confused, I gotta say this sounds a little beyond anything I'm used to

Now there's a precious few that can prove that at the root this is all nothing but a cold calculation

Clearly entranced, you're leaning back now defanged destroyer limps into the bay down at the beach it's  
attracting quite a

Crowd as kids wade through blood out to it to play

Okay you made me scared, you did what you set out to do I'm not prepared, really had me going there for a  
minute or two he

Said, you made me scare too, I wasn't sure I was getting through I gotta go, it's been a pleasure doing business  
with you
