

# Back Together

Robin Thicke

Hey Robin  
Didn't I rock with you all night  
Wasn't it good enough, don't lie  
Didn't you tell me that I blew your mind  
Brought out the animal in me  
Nobody else can tame that beast  
Why did you have to go and say goodbye  
Now all I wanna do is get, get you back (get, get)  
'Cause girl, you're still the best that I've ever had  
A one, two, three, let's go  
You used your love to tear me apart  
Now put me back together (now put me back together)  
You put a bullet into my heart  
Now put me back together  
Come on, I'm an addict  
Come on, gotta have it  
Come on, let me at it tonight  
You used your love to tear me apart  
Now put me back together  
I wanna live between your legs  
Hear all the freaky things you said  
I don't like what you're turning me into, into  
Baby, you left me on the floor  
Now I keep driving past your door  
I don't know why you gotta be so cruel (I don't know why)  
Now all I wanna do is get, get you back  
(Wanna get you back, yeah, yeah, baby, get you back)  
'Cause girl you're still the best that I've ever had  
A one, two, three, let's go  
You used your love to tear me apart (you used your love)  
Now put me back together (now put me back together)  
You put a bullet into my heart (straight into my heart)  
Now put me back together  
Come on, I'm an addict  
Come on, gotta have it  
Come on, let me at it tonight  
You used your love to tear me apart (you used your love)  
Now put me back together (together, baby)  
Yo, ayo, Robin  
I get more head than when they noddin'  
Kitty on fleek, it's popping, I'm Mary Poppins  
Just for the record, that hard is what I'm copping  
Blasting 2Pac in some fishnet stockings  
You know you miss this, right  
M I S S, miss this spot  
Used to call me Hillary cause I ride 'em (Rodham)

I said, ring, ring, ring, ring, ra-ring, ring  
Put a ring on it or ding, da-ding, ding  
Boy your times up, where'd you wind up  
There's levels to this, you shoulda climbed up  
(Let's go) You used your love to tear me apart  
Now put me back together (now put me back together)  
You put a bullet into my heart (right into my heart)  
Now put me back together (now put me back together)  
Come on, I'm an addict  
Come on, gotta have it  
Come on, let me at it tonight  
You used your love to tear me apart (you used your love)  
Now put me back together (put me back together) Come on, I'm an addict  
Come on, gotta have  
Come on, let me at it tonight  
You used your love to tear me apart (you used your love)  
Now put me back together (put me back together)
