

A Love Letter Christmas

R. Kelly

Do, do, do, do, do, do, do, do, do, do
This is a Christmas remix and it's sang
La, la, la, la, la, la, la, la, la, la, yeah Did you get my card?
Did you read my love letter?
Did it touch your heart
When you read my love letter? Pour the wine, read the signs, baby, it's Christmas time
You and me underneath this tree
Candle stories told, kisses under mistletoe
And everyone's asking their family Did you get my card, Christmas card?
Did you read my love letter? Did you read my love letter?
Did it touch your heart? Did it touch your heart, girl?
When you read my love letter, my Christmas love letter Sleigh bells, sweet dreams, kids are sleep, you and me
Wrap the gifts, I can't wait 'til the morning
'Cause this moment's so heaven sent, marshmallows, hot chocolate
Fireplace, you and me cuddling Did you get my card, Christmas card?
Did you read my love letter? Did you read my love letter?
Did it touch your heart? Did it touch your heart, girl?
When you read my love letter, my Christmas love letter My hope is, I hope these words find you in the perfect
mood
I wrote this letter according to my love for you
So I hope these presents will travel safely to where you are
You'll find my heart with a ribbon wrapped on it in a box Though near or far, I will find a way to send my love
Only pray that it don't come back, return to sender
If you are reading this I hope that things are well
And you can text me back, you could write me back, just check your mail Did you get my card, my Christmas
card, yeah?
Did you read my love letter? Did you read my love letter, girl?
Did it touch your heart when you read it?
When you read my love letter, my love Did you get my card, did it make you smile, yeah?
Did you read my love letter? Did it leave you again, yeah?
Did it touch your heart? Did it make you wanna try me back, baby?
Did you get my love letter? Did you get my love letter?
All the latest things, hold me Do, do, do, do, do, do, do, do, do, do
Yeah, yeah, yeah, yeah, yeah, yeah
Latest things
La, la, la, la, la, la, la, la, la, la Sound beautiful, sound real good
Break it down, I wanna have some fun, give me the cowbell
Y'all wanna have some fun with me?
It's Christmastime, we might as well have some fun, uh Break down, break it down

Break down, break it down, uhI'm a tell you who I am, I'm a tell you what I'm looking for
Now when I tell you what I'm looking for
If you fit that description, come my way, baby, uhI am just a snowman and I'm looking for a snow girl, come on
I am just a snowman, come on, baby
And I'm looking for a snow girl
Yeah, freestyleIt's Christmas time in the hood and everybody is charged
This beat's so out of this world, they're stepping up on Mars, yeah
So move them mopes, walk on in, say, hell with security
'Cause Kell's is having a Christmas party and everybody's V.I.P.Now I know we all have our problems
I'm just trying to make it better
So I had to put on my music cape and write this love letter
Come on, babyDance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whateverDance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whateverDance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whateverDance, step, groove, whatever
Dance, step, groove, whatever
Dance, step, groove, whatever
