Walk Away

Dokken

A faded picture from your heart
Was all you left for me
I'm still waiting, standing here
To see what I could seeYour love I borrowed just like time
It wasn't mine to keep
But the love we shared, I thought was there
And now you have to leaveJust walk away
There'll be no more tomorrows
Just walk away
You won't be there for meFrom far away
I tried to say I'm sorry
But I can't find a way
To just walk awayCouldn't see for I was blind
The hurt you hide inside
I didn't mean to break your heart
I wish it had been mineAnd as another day unfolds
Don't know what it means
Was it love we had or love gone bad?
Still the love we needJust walk away
There'll be no more tomorrows
Just walk away
You won't be there for meFrom far away
I tried to say I'm sorry
But I can't find a way
To just walk awayI'm still standing, waiting here
Waiting for a sign
I didn't mean to break your heart
I wished it had been mineJust walk away
There'll be no more tomorrows
Just walk away
You won't be there for meFrom far away
I tried to say I'm sorry
But I can't find a way
Just walk awayJust walk away
Yeah, walk away
Just walk away
