

# When I Met You

## Apo Hiking Society

There I was an empty piece of a shell,  
Just mindin' my own world;  
Without even knowin' what love and life were all about. Then you came,  
You brought me out of the shell;  
You gave the world to me  
And before I knew,  
There I was so in love with you. You gave me a reason for my being  
And I love what I'm feelin'  
You gave me a meaning to my life,  
Yes, I've gone beyond existing  
And it all began when I met you. I love the touch of your hair  
And when I look in your eyes  
I just know, I know I'm on to something good And I'm sure my love for you will endure  
Your love will light up my world;  
And take all my cares away with the aching part of me. You gave me a reason for my being  
And I love what I'm feelin'  
You gave me a meaning to my life,  
Yes, I've gone beyond existing  
And it all began when I met you. You taught me how to love,  
You showed me how tomorrow and today  
My life is diff'rent from the yesterday;  
And you, you taught me how to love  
And darling I will always cherish you  
Today, tomorrow and forever. And I'm sure when evening comes around  
I know we'll be making love like never before;  
My love, who could ask for more? You gave me a reason for my being  
And I love what I'm feelin'  
You gave me a meaning to my life,  
Yes, I've gone beyond existing  
And it all began when I met you.  
When I met you. You gave me a reason for my being  
And I love what I'm feelin'  
You gave me a meaning to my life,  
Yes, I've gone beyond existing  
And it all began when I met you.  
When I met you.
