

I Still Miss Someone

[Joan Baez](#)

At my door the leaves are falling
The cold wild wind will come
Sweethearts walk by together
And I still miss someone Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there I wonder if she's sorry
For leaving what we begun
There's someone for me somewhere
And I still miss someone Though I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there I wonder if she's sorry
For leaving what we begun
There's someone for me somewhere
And I still miss someone No I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
