Survival Test (Instrumental)

Jaylib

Yeah
It's too real
How y'all feel out there? Let me know if it's real out there
Cuz it is out here; it's a game of survival
Niggas is trying to live out here
Round here, I watch cats hit the floor and they [?man tryna kill?] out here
But it's too many powers around
My real niggas getting killed out here
It's ill out here
[?] tell you what it is out here: a whole lot of pimps, some live bitches out here
They liable to set you up, man, everybody thugging out here
Narcos even drug dealing out here
Can't club, [? slugs peeling out there?]
You out here, mob with us
Get dollars is what we about here
Gotta handle your biz out there, it's too real out here
YeahReal it's just that for real
It's a hustler's test
Really though
This is dedicated to all the fake suckas at home
watching the videos then going outside and
trying to portray stuff, you know what I'm saying?Some wannabes out here, but they outta there
Time for Dilla and Madlib out here
There's a whole lotta filth out there
Y'all can't be for real out there
Fake gangstas better chill out there
Y'all know the deal out here
It's real out here, meals out there
Niggas got bills out here
Everybody tryna live out here
Everybdoy hustling out here
And you don't want your biz out there; hoes be on some bullshit out here
You don't wanna be without here
Niggas ain't giving a fuck, they will pull it out here
A bitch nigga won't kill shit, but a dumb nigga will out here
How a lotta blood get spilled out here
It's fucked up but it's real out here
Is that how it is out there? Shit don't make sense out here
YeahReal it's just that for real

It's a hustler's test
Really though
This is dedicated to all the fake suckas at home
watching the videos then going outside and
trying to portray stuff, you know what I'm saying?
