

Thank God I'm Pretty (Cover By Spiritual Front)

Emilie Autumn

Thank God I'm pretty
The occasional free drink I never asked for
The occasional admission to a seedy little bar
Invitation to a stranger's carI'm blessed with the ability to render grown men tongue-tied
Which only means that when it's dark outside
I have to run and hide, can't look behind me
Thank God I'm prettyThank God I'm pretty
Every skill I ever have will be in question
Every ill that I must suffer clearly brought on by myself
Though the cops would come for someone elseI'm blessed, I'm truly privileged to look this good without
clothes on
Which only means that when I sing you're jerking off
And when I'm gone you won't remember
Thank God I'm prettyThank You God, oh Lord
Thank You GodOh, and when a gaggle of faces appears around me
It's lucky I hate to be taken seriously
I think my ego would fall right through the cracks in the floor
If I couldn't count on men to slap my ass anymoreI know my destiny's such that I must stocking and curl
So everybody thinks that I'm a fucking Suicide GirlOh, thank You God
For the occasional champagne I never asked for
The occasional admission to a seedy little bar
Invitation to a stranger's carI'm blessed with the ability to render grown men tongue-tied
Which only means that when it's dark outside
I have to run and hide, can't look behind me
Thank God I'm prettyThank God, thank God
Thank You, thank You, thank You, thank You
Thank You God
