Advisory - the following lyrics contain explicit language:

I won't say sorry for what I've done
Won't say sorry for having fun
I won't take the blame
No, I'm not gonna be ashamed
I won't say sorry for what I've done
I don't say sorry to anyone
Chorus
Shout it out
Shout it out
I don't give a damn 'cause
I'm proud of what I am
I won't say sorry to you
If it is your will, you know what you can do
Won't apologize
And I won't put up with any of your lies
Won't say sorry to you
You can stuff that up your asshole to
Chorus X3
Won't say sorry for the way I act
Won't say sorry for the manors I lack
Won't say sorry at all
Won't say sorry 'cause it makes me look small
Won't say sorry for the way I act
Won't say sorry and that's a fact!
Chorus
