

Strange World (2015 Remastered Version)

Iron Maiden

The only place where you can dream, living here is not what it seems.

Ship of white light in the sky, nobody there to reason why.

Here I am, I'm not really there, smiling faces ever so rare.

A let's walk in deepest space, living here just isn't the place. Stalks of light come from the ground, when I cry
there isn't a sound.

All my feelings cannot be held, I'm happy in my new strange world.

Shades of green grasses twine, girls drinking plasma wine.

A look at love, a dream unfolds, living here, you'll never grow old. Don't you hear me call? Oh
