

Quicksand

Bridgit Mendler

Ohhh-Ohhh
You stick to me like glue
Oh, its true
I can't get you off my brain
When you came into the room,
I didn't know what to do
Boy, I melted so fast
It was a sweet rapida
I sunk to the ground
You swept me off my feet..And I am falling in deeper,
Can't be saved,
No way out, no way out of your quicksand,
I sunk to my knees, I can't escape
No way, no way out of your quicksand
But, I can breathe underneath, oh oh
Take your love, cover me, oh oh
Pull me down, pull me downAfter just that time,
When my eyes got their fix, I lost my mind
Now, I find that I-I-I'm craving it,
I wanna see you again, the way you're looking and,
you're so stuck in my head, I think I losing it,
oh-oh-oh-ohhhhI falling in deeper,
Can't be saved,
No way, no way out of your quicksand
I sunk to my knees, I can't escape
No way out, no way out of your quicksand
But, I can breathe underneath, oh oh
Take your love, cover me, oh oh
Pull me down, pull me downYou are wonderful
You've taken all of my heart, yeah yeah
It was all worth the fall,
Don't let go
Ooooooh, ohhh, ohhh
No way out,
No way out,
ohh,
No way out, no way out of your quicksandFalling in deeper,
Can't be saved,
No way out, no way out of your quicksand

I sunk to my knees
I can't escape
No way out, no way out of your quicksand
But, I can breath underneath, oh oh
Take your love, cover me,
Ohhh
Pull me down, pull me down
Ohhh
