Are You Listening?

Greeley Estates

I've tried to tell you that I love you
So many times before
You never let me be a part of you life
If you only knewI've tried so hard to be someone that you want
But now I'm through
Did you forget about all the times that we had
Where did they goIs anyone in there
Does this make any sense
It's so useless
Trying to get your attentionSo this is it what else can I do
To show you how I feel
I could be drowning right in front of your eyes
And you'd never knowI'd give up everything to hold you in my arms
For one last time
If you choose to walk out that door then
I'm not in your wayIs anyone in there
Does this make any sense
It's so useless
Trying to get you to listen to meI've tried to show you that I love you
But you never let me be a part of your life
I could be drowning right in front of your eyes
But you'll never knowWhy did you turn your back
We're out of time to fix these issues
Is anybody listeningIs anyone in there
Does this make any sense
It's so useless
Trying to get your attentionIs anyone in there
Does this make any sense
It's so useless
Trying to get you to listen to me
