Mighty Long Fall

ONE OK ROCK

When we met the pain stood still
It was usThen suddenly it's where'd you go?
The system blew I knewThis side of me I want a little more
But inside it seems I'm just a little bored
Nothing elseDon't go it's a mighty long fall
When you thought love was the top
Oh no it's a wake up call
When your life went into shock
It seems like gravity keeps pulling us back down
Don't go it's a mighty long fall
When you know time is upuso wo hitotsuã€€ai wo futatsu
sorede nantoka yari sugoshite kita desho?
demo soreja mou boku wo damasenai desho?
ja dou suru? dou shiyo!Don't go it's a mighty long fall
When you thought love was the top
Oh no it's a wake up call
When your life went into shock
egaki tagarina mirai ni asu wa nai
isso douse itamu nara itame tsuzukeyou
tsuzukeyou!Get up Get up Get up Get up
Time to make amends for what you did
Get up Get up Get up Get up
Running with the demons in your head
Let's shout it out completely
You never really wanna know
Let's shout it out we're screaming oh ohDon't go it's a mighty long fall
When you thought love was the top
Oh no it's a wake up call
When your life went into shock
It seems like gravity keeps pulling us back down
Don't go it's a mighty long fall
When you know time is upDon't go, don't go, don't go, don't go...
