

Lighten Up

Beastie Boys

Lighten up, gotta lighten up
Gotta lighten up right now
Gotta lighten up, gotta lighten up
Gotta lighten up right nowGotta lighten up, gotta lighten up
Gotta lighten up right now
Gotta lighten up, gotta lighten up
Gotta lighten up, shine like the sunLighten up, gotta lighten up
Gotta lighten up right now
Gotta lighten up, gotta lighten up
Gotta lighten up right nowGotta lighten up, gotta lighten up
Gotta lighten up right now
Gotta lighten up, gotta lighten up
Gotta lighten up, shine like the sun
