

# Take Another Road

[Jimmy Buffett](#)

Seen the false horizons fade away like bison  
Headed for the jungle, cowboy can't endure  
Never look back, that's what he swore  
I'll take my pony to the shore  
Somewhere, somewhere Take another road to a hiding place  
Disappear without a trace  
Take another road to another time  
On another road in another time  
Like a novel from the five and dime  
Take another road another time Follow the equator, like that old articulator  
Sail upon the ocean (oooh, sail away) just like Mr. Twain  
Never look back, this is my plan  
Run my pony through the sand  
Somewhere, somewhere Take another road to a hiding place  
Disappear without a trace  
Take another road to another time  
On another road in another time  
Like a novel from the five and dime  
Take another road another time Leave my cares behind  
Take my own sweet time (take my own sweet time (time))  
Ocean's on my mind Take another road to a hiding place  
Disappear without a trace  
Take another road to another time  
On another road in another time  
Like a novel from the five and dime  
Take another road another time Take another road to a hiding place  
Disappear without a trace  
Take another road to another time  
On another road in another time  
Like a novel from the five and dime  
Take another road another time
