

# Before We Die

## Boy Hits Car

Before we die  
Can the gracious night learn to protect us?  
The sun sealed the day, after painting canvas sky beautifully  
And now I watch the people rolling by my window  
Wondering, if they have found what they are looking for  
'Cause everyone has the sad song inside  
That will forever keep us alive  
So where are you? Oh, my listless one  
Are you still there writhing in what is gone?  
Because if we don't go within then we may go without  
Elation left to follow the silhouette of secrets  
Protruding evening, perhaps searching for  
A new world before, before they die  
"Cause everything wants to give its gift  
To this silent world, before they die, die  
Where are you? Oh, listless one  
Are you still there writing a sad song?  
And will protect our love and, oh, how I long for  
The rolling hills covered in nothing green grass  
Where our thoughts will in touch our skin  
Can the gracious night learn to protect us?  
The sun sealed the day, after painting canvas sky beautifully  
And now I watch the people rolling by my window  
Wondering if they have found what they are looking for  
'Cause everyone has the sad song inside  
That will forever keep us alive  
'Cause everything wants to give its gift  
To this silent world, before they die, die
