

# Hallways

## Islands

wait to get to your room  
hallways  
always waiting  
feels like I've been waiting for days  
in these hallways  
wait x 9walls cave  
turns refuse to waste  
hallways knock, knock knock  
broken lock  
i'll just wait in hallway  
decent smoke wait, ooh (?)  
this can be a pleasurable phase  
walls cave  
turns refuse to waste  
hallways walls cave  
turns refuse to waste  
hallways  
in the hallways  
can she turns to you to say  
always
