I Wish

Atl

They make say that you're not worth it but
Girl, to me, girl, you're perfect
And oh something about you speaks to me
Girl, you got it going on
You make me wanna write a song
Then go and sing it on a stage
To show the world that I'm amazed
Oh, yeah, yeah
You are, you are, just what I've been wanting
You are you are, you're such a freaking woman
You are, you are, everything I own
You are, you are, you are, you are
You are you are, the queen of the ghetto
You are you are, the one I've never let go oh
You are you are, everything I love
You are, you are, you are, you are
You're the type of girl that makes a man proud
I love to hear you talkin' out loud
And the many ways you wear your hair
Girl, no one else compares
Baby, you should be on tour
They should give you an award
Oh, love should have a sequel
Because your body moves people
You are, you are, just what I've been wanting
You are you are, you're such a freaking woman
You are, you are, everything I own
You are, you are, you are, you are
You are you are, the queen of the ghetto
You are you are, the one I've never let go oh
You are you are, everything I love
You are, you are, you are, you are
Baby, you're a ghetto superstar
You are, you are, you make me feel
Like only a real women can
Just like a brand new man
Woah, you got magic havin' that
You are, you are, just what I've been wanting
You are you are, you're such a freaking woman

You are, you are, everything I own
You are, you are, you are, you are
You are you are, the queen of the ghetto
You are you are, the one I've never let go oh
You are you are, everything I love
You are, you are, you are, you are
You are, you are just what I've been wanting
You are, you are, you're such a freaking woman
You are, you are everything I love
You are, you are, you are, you are
You are, you are the queen of the ghetto
You are, you are the one I've never let go, ooh
You are, you are everything I love
You are, you are, you are, you are, baby
You are queen to me
