Kiss Me Quick

J.P. Buckle

Kiss me quick while we still have this feeling
Hold me close and never let me go
'Cause tomorrows can be so uncertain
Love can fly and leave just hurting
Kiss me quick because I love you so
Kiss me quick and make my heart go crazy
Sigh that sigh and whisper, oh, so low
Tell me that tonight will last forever
Say that you will leave me never
Kiss me quick because I love you so
Let the band keep playing while we are swaying
Let's keep on praying, that we'll never stop
Kiss me quick, I just can't stand this waiting
'Cause your lips are lips, I long to know
For that kiss will open Heaven's door
And we'll stay there forever more
So kiss me quick because I love you so
Let the band keep playing while we are swaying
Let's keep on praying, that we'll never stop
Kiss me quick, I just can't stand this waiting
'Cause your lips are lips, I long to know
For that kiss will open Heaven's door
And we'll stay there forever more
So kiss me quick because I love you so
Kiss me quick because I love you so
Kiss me quick because I love you so
