Ignorance, Ignore Me

drumfish

Wake up laughing times again
I am almost spent
Dirty talking water wade
Rub my face with a bladeHasty, hurried, slovenly
Grime rides me like a train
Daily grinding I am finding
I cant pay my rentSometimes I imagine that
Bullets bounce off me
And everywhere that Mary went
She gets her bullets free(Chorus) Can you hear me, Do you wish to
Can you listen, I am noisy
You have tried to, I have tried to
Ignorance, Ignore Me
AhYou are no different from me
Were both subject to gravity
Falling down the holeI am facing daily pain
Handed mercilessly
You have tried to I have tried to
Tried to pay for meSometimes I imagine that
Bullets bounce off me
And everywhere that Mary went
She gets her bullets free(Chorus)
