Anxious In Venice

Superhumanoids

Beams of morning light expose what's true
Cracks in all the paint that covers you
Reminded of the way
I wanted to escape
I want to, I want to, I want to
On this stiff burning light, I misled you
Things covered in white, nothing to do
All of our last days
Are lost without a trace
I want you, I want you, I want you
I believe (fallen)
There's a change in you (fallen)
Do you disapprove (fallen)
Have we slipped through (fallen)Beams of burning light expose what's true
Cracks in all the paint that covers you
Reminded of the way
I wanted to escape
I want to, I want to, I want toI believe (fallen)
There's a change in you (fallen)
Do you disapprove (fallen)
Have we slipped through (fallen)
I believe (fallen)
There's a change in you (fallen)
Do you disapprove (fallen)
Have we slipped through (fallen)
