Coast 2 Coast

Alvin And The Chipmunks

(Alvin) I've been to Alabama
I've been to Tennisee,
I did a show out in Alamo last week,
and in Louisianna I come and met a friend, she said to come to town and hang around until the end!
(Chipmunks)Hey little darlin' let me show you what it's all about
if you wanna see me dance, I?ll teach you to turn your body out
chorus:[
(alvin)"HEY!"
(Chipmunks) Come on hey
why do you not foil
(alvin) OH YEAH!
Coast 2 Coast
We?re on the road.
(man) Everbody gonna make some noise
Get down if you count
With them chipmunk boys
If you?re on the road
With a nectar dream
If you?re welcome
Really welcome
With the U.S. scream
(chipmunks) Take a step to the left
Dance slight to the right
Get on your toes
And do the Coast 2 Coast.]
(man)Yo Alvin!
Hey Simon,
Yo Theodore!
(chipmunks)we?re the chipmunks!
I wanna learn to slide,
And a hummingbird,
Watch David in New York
And his cool toy

In colorado but tomorrow never did the same
Everytime we dance
In a full house movie show
Everybody dance
