

Happiness

Swimming with Dolphins

February skies
You cause the resurrection of my butterflies
We got dressed up in disguise
And I tried my best but I just can't recognize you

Well, you, you've got no excuse
Is this making you happy?
Is this making you happy?
Cause it's true, you're all I have to lose
So if it's making you happy,
Then it's making me happy too

Go do what you like
Cause you always find a way to be satisfied
But when all that glory dies
You can find my trapped behind your tired eyes

Yeah, you, you've got no excuse
This is making you happy
This is making you happy
And it's true, you're all I have to lose
So if it's making you happy,
It must be making me happy too

Well, I don't know who you are
Yeah, I don't know who you are
Well, I don't know who you are
Yeah, I don't know who you are, oh no

Well, I don't care who you are
Wanna fall in love, wanna fall apart
Yeah don't care who you are
Wanna fall in love, wanna fall apart

Well, I don't care who we are,
Wanna fall in love till we fall apart
Yeah I don't care who we are,
Wanna fall in love till we fall apart
