

Scenery

Neil Young

Looking at the grave
At the scenery around you
Home of the brave
Sometimes they leave you like they found you
Sometimes they worship you
Sometimes they tear your houses down
Sometimes they comfort you
Sometimes they spread your life around Nothing you can see
That they won't try to give you
Land of the free
Where the legend will outlive you
When you earn their trust
When you are truly in danger
Where greed and lust
Have never been a stranger[solo] Home of the brave
That's where heroes need protection
Media images slaves
Live by random selection
You sell your heart
But that's not the price of freedom
Where things are useful
Only when you need them Where will you go
When you need to make some changes
Who will you love
In a world of constant strangers
I'll go with you
If you want to take a hero home
I'll stay behind
If you want to take a hero home Looking at the grave
At the scenery around you
Home of the brave
Sometimes they leave you like they found you[solo] Home of the brave
Home of the brave
Home of the brave
Home of the brave
Home of the brave
Home of the brave
