

# Sleeping In My T-Shirt

Zak Waters

I see you lying there  
Swimming in my pillows  
I'm walking on my tiptoes  
Sun coming through my window  
You were just a booty call  
Now you look so beautiful  
Morning came I suppose  
Sometimes its just the way it goes  
Your silhouette framed by the bed post  
One look and i'm done for  
Standing starry I am speechless  
I love you sleeping in my t-shirt  
Wearing my heart up on your sleeve girl  
Try my best not to wake you  
You look so good in my bedroom  
6 o'clock in the morning  
Fell in love without a warning  
I wanna make this forever  
So everyday i can see ya  
Sleeping in my t-shirt  
Forgot about my hangover  
Standing in the doorway  
No i can't seem to stop myself  
From looking over your way  
You were not supposed to stay  
Happy under your spell  
And now you're wrapped under my blankets  
Sleeping like an angel  
I wanna be, I wanna be,  
I wanna be waking up, waking up next to you  
Girl, you better be  
You better be waking up, waking up in my t-shirt  
Eh, yeah  
Yeah, sleeping in my t-shirt  
Wearing my heart on your sleeve girl  
Try my best not to wake you  
You look so good in my bedroom  
6 o'clock in the morning  
Fell in love without a warning  
I wanna stay like this forever  
So everyday i can see you  
Sleeping in my t-shirt  
Sleeping in my t-shirt  
Sleeping in my t-shirt
