

# Holding On

Jonathan Butler

Loving in the past  
Don't know how long I'm gonna last  
Since you've been gone  
Keep holding on, holding on I'm holding on  
Loving in the past  
I'm holding on  
Don't know how long  
I'm gonna last Oh, I'm holding on  
Since you've been gone  
I keep holding on  
Holding on  
Ooh baby Nights, nights can be so cold  
Without someone to hold Man was never meant to be alone  
And days, days can be so long  
How can I go on without you? I'm haunted by those memories Everywhere I turn I see your face, baby  
I thought forgetting would be easy to do  
But I realize that you just cannot be replaced I'm holding on  
Loving in the past  
Dreams I have come to fear  
Seeing you appear 'Cause when I wake to find  
That you're not there  
Maybe tomorrow will bring an end  
To the sorrow I feel I feel, I feel  
Girl, I'm haunted by those memories I'm holding on  
Loving in the past Holding on  
Holding on Lovers come and go  
But you know it's a shame  
When I'm making love to someone else  
And calling out your name Holding on  
Holding on  
Holding on  
Holding on I'm holding on  
Loving in the past  
Loving in the past  
Don't know how long  
I'm gonna last Since you've been gone  
Keep holding on  
Holding on
