Criminally Insane

8mm OVERDOSE

Night will come and I will follow
For my victims, no tomorrow
Make it fast, your time of sorrow
On his trail, I'll make you followQuarters for the criminally insane
The sentence read for life I must remain
The path I chose has led me to my grave
To try again I have no other wayQuarters for the criminally insane
Escape for me has fast become a game
Soon to be, I'll leave without a trace
Endangered species end the human raceBranded in pain
Marked criminally insane
Locked away and kept restrained
Disapprobation, but what have I done
I have yet only just begun
To take your fuckin' livesNight will come and I will follow
For my victims, no tomorrow
Make it fast, your time of sorrow
On his trail, I'll make you follow
