

The Thought of Bein' In Love

Chad Brock

When we met, love was like a runaway train
Our lives would never be the same after that
 Lost hearts searchin' for a place to go
Without consideration, there's no turning backWe were having fun together
 We felt the promise of forever
 And even though we both knew better
We went straight aheadJust the thought of bein' in love
 Just the chance is good enough
To make us give in and give our hearts up to the dream
 I know it didn't work out like we planned
 Baby, I've come to understand
We got caught up in the thought of bein' in loveWe laughed, we laughed until the day we cried
 But even when you know you tried, it still hurts
 Long nights, wide awake and wondering why
Praying somehow you and I could make it workAnd even with your eyes wide open
 And even when your heart's been broken
 Still we're gonna keep on hopin'
Love finds us somedayJust the thought of bein' in love
 Just the chance is good enough
To make us give in and give our hearts up to the dream
 I know it didn't work out like we planned
 Baby, I've come to understand
We got caught up in the thought of bein' in loveJust the thought of bein' in love
 Just the chance is good enough
To make us give in and give our hearts up to the dream
 And though it didn't work out like we planned
 Because of you I'm a better man
We just got caught up in the thought of bein' in loveWe just got caught up in the thought of bein' in love
 In love
