

# Candles

## Natalie Lungley

You're going down and it feels good  
But you ain't wearing what you should  
    All the people that you've had  
    The time is over  
    Count your blessings, count the times  
You forgot their names commit the crimes, yeah  
    All the people that you've had  
    The time is over  
    Oh, it's time to make amends  
You've been burning the candle at both ends  
    Oh, it's time to make amends  
You've been burning the candle at both ends  
    Oh, it's time to make amends  
You've been burning the candle at both ends
