

# Do Me

## Bell Biv DeVoe

Take a look at me  
Tell me, do you like what you see?  
Do you think you can  
Do you think you can do me? Kiss me, pretty baby  
Touch me all over  
Girl, what makes you think you can do me  
Do you think you can do me, girl? Do me, baby (ho, ooh)  
Do me, baby (do you think you can?)  
Do me, baby (do me)  
Do me, baby Girl, let your hair down  
Take off your clothes and leave on your shoes  
Would you mind if I looked at you for a moment?  
Before I make sweet love Backstage, underage, adolescent  
How ya doin', fine, she replied  
I sighed, I like to do the wild thing  
Action took place  
Kinda wet, don't forget  
The J, the I, the M, the M, the Y, why'all  
I need a body bag Do me, baby (oh, oh, oh)  
Do me, baby (you can do me when you want to do me)  
Do me, baby (yeah, yeah)  
Do me, baby (mmm, ho, ho, ooh, yeah) Do me, baby (I like it in the morning time, yeah)  
Do me, baby (sometimes I love it in the evening, baby, yeah)  
Do me, baby (can you do me all over, girl, yeah, yeah)  
Do me, baby The time was six o'clock on the Swatch watch  
No time to chill, got a date, can't be late  
Hey, the girl is gonna do me  
Move to the Jacuzzi, ooh, that booty  
Smack it up, flip it, rub it down, oh, no Do me, baby (yeah)  
Do me, baby (oh, baby, I like it just like that)  
Do me, baby (and I love the way you do it to me, baby, yeah)  
Do me, baby (oh, move just a little bit closer) You can do me in the morning  
You can do me in the night  
You can do me when you want to do me You can do me in the morning  
You can do me in the night  
You can do me when you want to do me Oh, come on and sweat me  
Will you just take a little bit, yeah? That's the way I like it, baby  
Come on over here  
Let me caress your beautiful body

Kiss you from head to toe  
I'll make you sweat, yeah  
We're gonna train up in here all the way  
Nine to five, baby  
You just sweat, baby  
That's the way I like to do it  
Run you all over with some hot oil  
And just watch your body shine I just want to  
I just want to lay your beautiful body down by the fireplace, baby  
And make love to you all, all night  
Oh, yeah  
I love you, baby, yeah  
Oh, ho  
Oh, yeah
