

Not Given Lightly

Frente!

Hello my friend, it's morning, time to wake now
In body, in mind entwined will have to break now
But I need your flesh your warmth to stay beside me Oh, how I wish you could be deep inside me
Show me your eyes your low most tender feeling
And I'll give you mine be truthful and revealing And it's you that I love and it's true that I love
And it's love not given lightly but I knew that it's love
And it's you that I love and it's more than what it might be When we're alone I cannot always face you
Maybe my mood won't let these arms embrace you
But that doesn't mean my love's somehow diminished
Give me the time to show our love's unfinished And it's you that I love and it's true that I love
And it's love not given lightly but I know that it's love
And it's you that I love and it's more than what it might be And every word I say is true What can I say? The
words destroy all meaning
There's only clinches to get across this feeling
This is a love song for John and Desha's mother
This isn't easy I might not write another And it's you that I love and it's true that I love
And it's love not given lightly but I knew that it's love
And it's you that I love and it's more than what it might be
