Nick Ziobro - SINATRA!

[INTRO 16 SECONDS]
There was a time
so many years ago
(Pause)
A young guy crooning
on the radio
(Pause)
He sang to us
and we fell in love
(Pause)
We hear him still
we always will
(Musical Pause)
Tip your hat to Sinatra!
(Pause)
Francis Albert, Sinatra!
(Pause)
If you feel your heart
go ring a ding ding
When you hear him sing
you'll say.....
It's that phasing
oh so simple, yet amazing
How he puts his stamp
on each note and every chord
It's plain to see why he's
the chairman of the board
Sinatra!
(Pause)
Say the name
and he's gotcha
With words of Mercer,
Porter and Khan
The voice still lives
on today....
Dear old Blue Eyes, we're
discovering with new eyes

All the reasons why
the man and his music
Will never fade away...
(Musical Pause)
Dig that phrasing
oh so simple, yet amazing
How he puts his stamp
on each note and every chord
It's plain to see why he's
the chairman of the board
Sinatra!
(Pause)
Say the name
and he's gotcha
With words of Mercer,
Porter and Khan
The voice still lives
on today....
Dear old Blue Eyes, we're
discovering with new eyes
All the reasons why
the man and his music
Will never fade away....
Frank Sinatra!
Is here.....
He'll always be near..
He's here to stay.....
[The End]
