Steady

Chrisette Michele

Four Kings.Red bottoms match the Porche.
My man opens my doors,
Elevator top floor.
Yeah that's what we doin
Yeah that's what we doinThey say I'm underated
Then why I got this paper
Then why yah suckers hatin
I think I must've made it
I think I must've made itTen years and counting
Shawty run a label
I aint wanna say it
But I had to tell the people
Reppin my city
Strong island on the map
The queen of all the kings
Where they do that it
This where they do that atNumbers got you on
but we been steady.
Been steady, been steady.
Youre just finding out
but we been ready.
Been ready, been ready.All my people right beside me
rocking steady, steady.
All my island gangs riding
and we ready, ready.
You just finding out
but we been ready, been ready, been ready.
Thinking of this money
Been pushing these whips
Busting out the bandos
Watch me flick my wrist
Watch me, watch me flick my wristArnold schwarzenegger
I'm flexing on your ex now
I know, I know, I know, you know
Watch me get these checks nowCome place your bets now
Diamonds on my wrist now,
and on my neck now
I just dropped ten condos on my jet now
Watch me ride the waves

outside my beach houseSpalding with the work I got the rebound
Too legit to quit I think I'm MC Hammer
You might think its ...
long way from arm and hammer.I just got you on but we been steady
Been steady, been steady.
You're just finding out but we been ready
Been ready, been ready.All my people right beside me
rocking steady, steady.
All my island gangs riding
and we ready, ready.
You just finding out
but we been ready, been ready, been ready.All my people right beside me
rocking steady, steady.
All my island gangs riding
and we ready, ready.
You just finding out
but we been ready, been ready, been ready.We was steady before you
niggas tried to come and rescue us.
You didn't even know, now you know.
