

# Together (RED)

Aloe Blacc

Hold my hand so we don't slip on the rocks  
They say the mountain is so hard to climb  
And the valley steep to go  
Together is better than one  
Hold my hand so we don't slip on the rocks  
They say the mountain is so hard to climb  
And the valley steep to go  
Together is better than one  
La la la, la la la la  
La la la la la  
La la la, la la la la  
La la la la la  
Hand in hand we will get to the top  
Hand in hand we will run down the valley  
Hand in hand we shall overcome  
Together is better than one  
Every man needs a hand to hold  
No matter how strong he may be  
Lean on me and I'll lean on you  
Together is better than one  
Every man needs a hand to hold  
No matter how strong he may be  
Lean on me and I'll lean on you  
Together is better than one  
La la la, la la la la  
La la la la la  
La la la, la la la la  
La la la la la  
Hand in hand we will get to the top  
Hand in hand we will run down the valley  
Hand in hand we shall overcome  
Together is better than one  
Every man needs a hand to hold  
No matter how strong he may be  
Lean on me and I'll lean on you  
Together is better than one  
Every man needs a hand to hold  
No matter how strong he may be  
Lean on me and I'll lean on you  
Together is better than one  
Hand in hand we will get to the top (La la la, la la la la)  
Hand in hand we will run down the valley (La la la la la)  
Hand in hand we shall overcome (La la la, la la la la)  
Together is better than one (La la la la la)  
La la la, la la la la  
La la la la la  
La la la, la la la la  
La la la la la  
Hand in hand we will get to the top  
Hand in hand we will run down the valley  
Hand in hand we shall overcome

Together is better than one
