# If He Did It Before (same God)

## Tye Tribbett

"If He Did It Before (Same God)"Hey, if he did it before, he can do it again
Hey, if he did it before, he can do it again
1,2, 1,2, 1,2,3, goI won't give in, no I'm not gonn turn around, yeah
I know I'll win, if i don't give up now
I am waiting, for my change to come in I know
He will come through, this is how I'm so sureIf he did it before, he can do it again
Same god right now, same god back then
If he did it before, he can do it again
Same god right now, same god back thenI've got power, I know I will overcome
Greater is in me, the fight ain't fair cause I've already won
and yes i may fall,and get knocked down to the ground
I know I'll rise up, this is how I'm so sureIf he did it before, he can do it again
Same god right now, same god back then
If he did it before, he can do it again
Same god right now, same god back thenPlease be, encouraged, this is not the first storm you've been through
You've been through worse, you didn't come this far just to lose
He knows your needs, so take no thoughts on what you lost
God will restore, and this is how I'm sureIf he did it before, he can do it again
Same god right now, same god back then
If he did it before, he can do it again
Same god right now, same god back then.He is same God right now
He is, He is same God right now
He is, same God right nowSame God right now
Same God back then
If He did it before,
He can do it again
