

It's a Man's Man's Man's World

James Brown

This is a man's world, this is a man's world
But it wouldn't be nothing, nothing without a woman or a girl
You see, man made the cars, to take us over the
road
Man made the train, to carry the heavy load
Man made the electric light, to take us out of the dark
Man made the boat for the water, like Noah made the ark
This is a man's, man's, man's world
But it wouldn't be nothing, nothing without a woman or a girl
Man thinks about a little baby girls and a baby
boys
Man makes them happy, 'cause man make them toys
And after man make everything, everything he can
You know that man makes money, to buy from other man
This is a man's world
But it wouldn't be nothing, nothing not one little thing
Without a woman or a girl
He's lost in the wilderness
He's lost in bitterness
He's lost, lost somewhere
