U.S.A.

Rappresaglia

Its the return of the, of the motherfuckin' brainiacs
Capitol homes represent East Atlanta where you at
Ying Yang
We back, motherfucker
Ying Yang
Take that, motherfucker
The same to niggas that the hoes used to dis
Now we ridin' on the road doin' shows with our clique
Put a lock on my dick 'cuz my brain is key
I ain't wat you want so quit lyin' to me
See I was born by myself, Imma die by myself
And when I smoke my purple I'm gon' get high by myself
And if ain't there D-Roc on the side of me
We [Incomprehensible] bitch can't even buy from me
They call me Crip, his name Eric he's the capper
Since the eigth grade he said he would be a rapper
Rapper? Y'll niggas lost 'cuz it's ten years later
And shawty is throwed off
One time for them niggas who keep clamin' they boss
Keep thinkin' we soft, we gon' knock you're fuckin' block off
See D-Roc known to be a people person
And Kaine, really don't like discursion
See pain is kinda what I like dispersin'
'Cuz love make a nigga feel like a scrub
Thugs, that's where we're residing at
Some niggas like to lie just to hide the fact
That they a bitch nigga, snitch, nigga, all on another nigga
Dick, nigga, get you're own shit, nigga
And y'll hoes ain't gave us nothin' but plenty of talk
And da fuckin' the front, bitch
Nigga, we bought that bank 'round here

We smoke never good gank down here
(United State of Atlanta)
Nigga, we bought dat bread around here
That's how you keep your baby fed down here
[Incomprehensible]Boulevard to East Lake, the West Side to Barn Holmes
From South De Calf to Glenwood
From Cali Rd. to Martin Luther King

From Alden Av. to Peet Street, from flash hoes to bankhead
(United State United State United State United State of Atlanta)
From Peak Mount. to Mag Noi, from Lee Street to Simpson Rd.
From Greater Holmes to Inglewood, from Metro to Cleveland Av.
(United State, United State, United State, United State of Atlanta)
From Progression Rd. to Pry Street, from Oakland Rd to E.A.
Nigga, we bought that bank round here
We smoke never good gank down here
(United State of Atlanta)
Nigga, we bought dat bread around here
That's how you keep your baby fed down here
[Incomprehensible]United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
United State, U United State, U United State, U United State of Atlanta
