

Mr. Chatterbox

Bob Marley & The Wailers

Mr. Chatterbox how long will you live?

Always to receive but never to give

Always carry news all over the place

Mr. Chatterbox you are a big disgrace
You teeth and you tongue a go let you down

And a when them let you down we a go batter you around

Bif, baf, boof, those are the blows you're gonna get

Mr. Talkative, I know you will regret
Mr. Chatterbox how long will you live?

Always to receive but never to give

Always carry news all over the place

Mr. Chatterbox you are a big disgrace
You teeth, teeth, teeth, and tongue, tongue, tongue a go let you down

And a when them let you down we a go batter you around, hey

Bif-an, baf-an, boof, those are the blows you're gonna get, hey

Mr. Talkative I know you will regret
Mr. Chatterbox how long will you live?

Always to receive but a never to give

Always carry news all over the place

Mr. Chatterbox you are a big disgrace
You teeth and tongue a go let you down

And a when them let you down we a go batter you around

Bif-an, baf-an, boof-an, that's the blows you gonna get

Mr. Chatterbox, I know you will regret
Ooh yeah, Mr. Chatterbox, ooh yeah

Mr. Chatterbox, ooh yeah

Watch him, Mr. Chatterbox
