Darling if youâ€™re Down

Stu Larsen

I traveled halfway round the world
I'm never coming back to you
I'm never coming back to youas I'm searching for the truth
I'll find it in the hardest times
I'll find it in the hardest timesand all along the way
people stop and offer me
everything but sympathythere'll be another girl
she'll try to fit into your shoes
but never do
things have changed in the mightiest of ways
the long white clouds I saw them rain on our parade
and all I'm hearing
is darling if you're down just don't forget yourselfI'm trying to find my own way home
but maybe I don't wanna go
and maybe you will never knowit's a shame you couldn't hear
you were busy making so much noise
that you couldn't hear the blind boy's wordsthings have changed in the mightiest of ways
the long white clouds I saw them rain on our parade
and all I'm hearing
is darling if you're down just don't forget yourselfthings have changed in the mightiest of ways
the long white clouds I saw them rain on our parade
and all I'm hearing
is darling if you're down just don't forget yourself
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)

darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
(darling, if you're down)
darling, if you're down, down, down
darling, if you're down
