Lead to Light

Nico Vega

Questions in your heart
The answers in your wisdom
And you tossIt's worthy of the silence
To pray upon your bed
And you restI will drop anything
I will drop anything
for youQuestions in your head
The answers in your silence
And you feel
It's worthy of the moment
To kneel upon your bed
and you knowingI will drop anything
I will drop anything
for youI will drop anything
I will drop anything
for youDo yourself a favor
Trust you have the answers
And you know it'll lead to light
And you know it'll lead to lightDo yourself a favor
Trust you got the answers
And you know it'll lead to light
And you know it'll lead to lightOh my love
You know you are a teacher
But you don't know
I could be a teacher tooOh my love
You know you are a teacher
But you don't know
I could be a teacher tooOh my love
You know you are a teacher
But you don't know
I could be a teacher tooOh my love
You know you are a teacher
But you don't know
I could be a teacher tooOh my love
You know you are a teacher
But you don't know
I could be a teacher tooOh my love
You know you are a teacher
But you don't know

I could be a teacher too
