Kwesta Verse 3

.

.

These aint a single hello matromony these aint tumicle these is the flame you encandl the pain you inflicted in the game that 2 lames ve killed it oh yeah you did , oh yeah you winning , yeah congratulations all of you famous I saw all your dates in your tour no call all your mates so let's all just get faded hip hops in the grave oh yeah you killed it these is tha piff these is a bomb not a spliff these is the " what the fuck is these" these is a kid rwepumping thinking how underrated is this! This is him and repumping me thinking how overrated is these! these is the truth and it hurts bathi ukhuluma works that's why I'm saying these shit! This is frustrating the kids they don't know wheter they love us or love watching us hate and debate about who the greatest here is bet they gone say its a diss these is why I say I'm king regardless of who makes the list I ve changed these is the cost ,these is the God this is Hip Hop and we don't stop FLAMES
