

# Start Your Brain

## Suicidal Tendencies

[Mike Muir]Start your brain! I'm thinking, man!Start your brain, start your brain, start your brain, rev it up and ride!Start your brain!

You got to start your brain!Start your brain, rev it up and go

Learn the things that you don't wanna know

Do the things that you don't wanna do

It will tell a lot about youStart your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!Rev it up and ride!

Rev it up and ride!Start your brain, rev it up and ride

It's been way too long since you have tried

Take your attitude and give it a rest

And anything you do, give it your bestStart your brain, rev it up and go

There's so many things that you don't know

Don't waste your time trying to impress

And spend that time cleaning up that messStart your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!Rev it up and ride!

Rev it up and ride! [guitar solos]Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!

Start your brain, rev it up and ride!Rev it up and ride!

Rev it up and ride!Start your brain!

You got to start your brain!Start your brain, rev it up and ride

Figure out who you are deep inside

Take your attitude and give it a rest

And anything you do, give it your bestSo, start your brain, rev it up and ride

Figure out who you are deep inside

Take your attitude and give it a rest

And anything you do, give it your bestStart your brain, start your brain, start your brain and ride!
