

Out of Our Heads

Sheryl Crow

If you feel you want to fight me
There's a chain around your mind
Something holding you tightly
What is real's so hard to find
Losing babies to genocide
Oh, where's the meaning in that blight
Can't you see that we've really brought into
Every word they proclaimed in every lie, oh?
If we could only get out of our heads
Out of our heads and into our hearts
If we could only get out of our heads
Out of our heads and into our heart, oh
Someone's feeding on your anger
Someone's been whispering in your ear
You've seen his face before, you've been played before
This aren't the words you need to hear
Through the dawn of darkness blindly
You have blood upon your hands
All the world will treat you kindly
But only the heart can understand, oh, understand
If we could only get out of our heads
Out of our heads and into our hearts
Children of Abraham lay down your fears
Swallow your tears and look to your heart
If we could only get out of our heads
Out of our heads and into our hearts
Children of Abraham lay down your fears
Swallow your tears and look to your heart
Oh, let them go, let them be, let them go
Every man is his own prophet
Oh, every prophet just a man
I say all the women stand up, say yes to themselves
Teach your children best you can
Let every man vow to the best in himself
We're not killing anymore
We're the wisest one everybody listen
'Cause you can't fight this feeling anymore, oh, anymore
If we could only get out of our heads
Out of our heads and into our hearts
Children of Abraham lay down your fears
Swallow your tears and look to your heart
If we could only get out of our heads
Out of our heads and into our hearts
Children of Abraham lay down your fears
Swallow your tears and look to your heart
If we could only get out of our heads
Out of our heads and into our hearts
Children of Abraham lay down your fears
Swallow your tears and look to your heart
If we could only get out of our heads
Out of our heads and into our hearts
Children of Abraham lay down your fears

Swallow your tears and look to your heart, oh
