

# I Want To (Do Everything For You) [Live]

## Nazareth

I want to hold you in my arms 'till you say "turn me loose"  
I want to do little things to you 'till you say "It ain't no use"  
I want to wake you every morning with a good morning kiss  
I want to kiss you to sleep the same way cause I, I know you like this  
    I want to do everything for you  
    Cause that's all that a man can do  
    When he loves a woman like I love you  
    And I love ya, love ya, love ya  
I want to say sweet things to you 'till you say I've said enough  
I want to stand right by your side when the goin' gets tough  
I want to mend your broken heart till you say the hurt is gone  
    I want to stay with you always so that you won't be alone  
    I want to do everything for you  
    'Cause that's all that a man can do  
    When he loves a woman like I love you  
    And I love ya, love ya, love ya  
I want to work for you every day 'till you say "come home and rest"  
    I want to buy you pretty little things so you can look your best  
    I want to take you every where so the world can see what I got  
    I want to treat you with tender love 'till you say I've got to stop  
    I want to do everything for you  
    'Cause that's all that a man can do  
    When he loves a woman like I love you  
    And I love ya, love ya, love ya  
    I want to do everything for you  
    'Cause that's all that a man can do  
    When he loves a woman like I love you  
    And I love ya, love ya, love ya, love ya
